Living area

The living area of the Kronos is a multifunctional space for all-round motorhome enjoyment. The "L" or face-to-face arrangement offers ample space to accommodate several people. The central or folding table is movable and height-adjustable, allowing the area to be quickly converted from a dining area into a lounge or an additional bed, according to the model.

- ✓ 5th approved seat
- ✓ Skyroof
- ✓ Large windows and portlights
- ✓ Swivel seats that integrate into the living room
- ✓ Longitudinal or L-shape kitchen
- ✓ 3 burner hob
- ✓ Refrigerator up to 145 l, depending on model

Sleeping area

The sleeping area is designed to provide a comfortable retreat after a day of exploration. Various configurations available according to requirements, with central double or transversal bed, twin beds or bunk beds, ideal for families and groups of friends. Large windows and a skylight ensure proper lighting and ventilation.

- ✓ Bed bases with wooden slats and maxi central beds
- ✓ Adjustable reading light with integrated USB ports
- ✓ Breathable mattresses
- ✓ Windows and skylights for light and ventilation

Bathroom

The bathroom area is well designed. Space is optimised for roominess and to ensure that everything is within reach without sacrificing comfort. Functionality and efficiency are essential to ensure a pleasant travel experience and for this reason the bathroom is equipped with large mirrors, LED lighting and storage cupboards on the Kronos. Equally noteworthy is the excellent ventilation provided by double-glazed windows.

- ✓ The toilet door separates the areas
- ✓ Rigid shower separation doors
- ✓ Frosted double-glazed window
- ✓ Shower tray with double drain (where available)
